

Dear Valued Donors,

On behalf of everyone at Fayette C.A.R.E. Clinic, thank you for your generous support and commitment to our mission. Your donation is more than a financial contribution — it has been an investment in the health, dignity, and well-being of the individuals we serve every day.

Because of your kindness, we were able to provide compassionate care, essential medical services, health education, and support to adults in our community who may otherwise go without needed treatment. Your generosity helped ensure that every patient who walked through our doors was met with respect, hope, and quality care regardless of their financial circumstances.

The impact of your support reaches far beyond the clinic walls. You have been helping individuals manage chronic illnesses, access preventive care, improve their quality of life, and regain confidence in their future. Simply put, lives have been changed because of donors like you.

We are deeply grateful for your partnership and belief in our work. Together, we are building a healthier and stronger community for all.

We extend our deepest gratitude to Clothes Less Traveled and the American Heart Association for forwarding approved grants to the Healing Bridge Clinic. Because of your generosity, Healing Bridge Clinic can continue offering vital medical services, health education, and hope to those in need.

Thank you for standing with us in building a healthier, stronger community.

Thank you again for your compassion, generosity, and continued support.

With sincere appreciation,

Geneva Weaver
